“ I am sad to just learn of Alden's passing. I was a student at LSSC and friend of Alden. While at school, Alden decorated a powder horn with beautiful scrimmage scenes for me. He was very talented. I was showing the horn to friends just last night and decided to search the net to find out if Alden ever became an artist.
God Bless, Howard

“ Aunt Carol,

My grandpa has always spoke fondly of Uncle Alden. He has always told us stories of the fun and trouble that the Campbell boys would get into. He will be truly missed.

On behalf of the Campbell Family (Willard, Nancy, Cheryl, Sandy, Willard, Rick, and Ashlee) we send our deepest sympathy.

“ *Carol and Todd, Lori, and Amy,*

You have my deepest sympathy. I wish I could be there for you to offer support. I have such nice memories of Alden. I remember when you guys lived down town - and I would walk to visit - Alden was always welcoming of your pesky pre-teen cousin! May all your memories and the knowledge that you are all loved by so many help you find comfort.
