“ *I wish to say how sad I am to hear that Al has passed away. Both he and Audrey were good friends to George Rohrer Jr. and Sr. and he did the work on my first car back in 1973. I will never forget the good times we had hanging out with them over the years. All our love Audrey!*

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Leo Buscaglia

“ So sorry for you loss. I enjoyed listening to his stories. And found it to know about the places in Raber he would talk about they were not to far from where my house was.
