“ My mother ,Marie (Cowling) Kippola, was Alice's cousin and she had me look for her on the internet. I did find her and talked to Alice after my Mom's passing in June, 2017. So Sorry to see this. She lived a long life and you must have a lot of precious memories.

“ There is a great emptiness left by Alice's passing but I am certain that the strength of the love your family shares for each other and for your mom will get you through this difficult time. May that love honor her memory and may you cherish the time you had together.

Our thoughts and prayers are with you during this sad time. May you find strength in God's comfort.
