“ She was a principle at Whitefish Township Schools when I went there, sad to hear of her passing. She was a good person.

“ Anne worked with the EUPISD for a few years as Coordinators of Gifted and Talented for all schools in the three Eastern Counties of the U.P. Her work ethic was outstanding and she was a self starter. Very creative and supportive. A real compassionate and smart. We all had respect for her. Thanks Anne....RIP R.W. Anne is a very dear friend. We traveled together I went to whitefish bay to her sweet little house. We met at a weaving conference in Ashville. N.c. We always dreamed of having a weaving retreat center. She had a shop in Florida and I was around when she and Karl built the log home in Bellaire.

Last year she came to my sisters cottage 7 miles south of mac City at on lake Huron

We wove baskets together and did weaving, spinning, rug hooking together.

I've been calling and texting and emailing for days and could not find her

I see there is an obituary.

Would someone call me or email me to tell me what happened to her.

I AM very sad that I missed her by a few weeks.
