“ *Lots of memories of Leila. Mostly at the Moose Lodge. Leila could be a party on her own, always having a good time. She worked hard to help keep the Moose going as did a lot of other members. She will be missed for sure. Thoughts and Prayers for her and for her family.*

“ *Leila was a friend of the family as far back as I can remember growing up there in the 50s and 60s
She came to our house often - my mother was quite good friends with her mother as well
I lost touch with her having left there after high school but we became friends on Facebook in the last 5 years
I really enjoyed my communications with her and getting to know her all over again
God bless her family and friends
She will surely be missed
