“ I will miss Audrey terribly. She was a great friend. We had a lotta fun eating and playing at the casino. Oh, and while she worked at LSSU. she always had a dish of Dove chocolates.

“ Audrey was the department secretary at LSSU when I was an English major there in the 1980s. She was awesome. A fixture in the department, she knew everything and ran it well. She was very matter-of-fact and practical and had a great sense of humor. I was honored to be included in her annual Christmas party - mostly for faculty & staff in the English department - my senior year. Audrey will be missed.
