“ I am so sorry for your loss. I remember the twins and how Barry would tease me as I played with Tanya..... oh so many years ago! Such good memories Tanya.

We both talked about our future and wondered if we would have twins someday... Yes, I did have twins after all. A boy and a girl. And, I remember the stories your mom would tell about her children and her twins. .

I shall hold your family in my prayers. God Bless each of you and yours.

Sincerely,
