“ I worked with Becky at mcmcf. She had the gift of making the residents feel loved and cared for every single day. Her smile would truly light up the room and her laugh was definitely contagious! Her and I recently became friends but I am truly honored to have known her. She's touched so many lives and has left priceless memories for us all to hang on to. I'm going to miss our "bonanza get togethers." They were never a dull moment Becky. I've said it more than once and I'll say it again becky.. thank you for being such a great friend who always had a shoulder to cry on, an ear to listen, and kind words to turn my frown up side down. Thing's will never be the same without you. We will all carry you inside our hearts and thoughts until we meet again..

“ *Becky was a unforgettable person with her love for caring for others. I remember her in my CNA class and how she really loved caring for her residents and making their lives brighter by talking, giving excellent care, and making them feel important. I can say that I am so happy that I had a chance to meet and become friends with Becky. She was always smiling, laughing, and very compassionate and caring. She could make your bad day great just by talking to you. I feel like I have lost one of my own family members as Becky you were a special young lady and friend. Melissa, Cindy, Phillip and Phil I am so sorry for your loss. Becky is Heaven looking down on all of us and will be a guardian angel.*
