“ As my daughter and I drove on Lakeshore road in Brimley yesterday, my daughter mentioned to me to look at the beautiful flower tribute on the side of the road.  
At that time I discovered the passing of dear friend Betty. She was an amazing person who willing shared recipes, gardening tips and sweet advice of how to sooth fussy babies when their working RN Mum was so tired.  
Always in my heart,

“ What an amazing lady I learned so much from her. She loved life and loved being a mother, wife and grandmother. All of my very best recipes are hers she taught me so much about how to be a mother. Everything she did, she did with perfection and grace, she was like a second mom to every kid in the neighborhood. I will miss her dearly. Don, Marcy, Dale and families I am so very sorry for your loss she touched the lives and hearts of many people.
