“ *Auntie Betty meant a lot to our parents, Bill (her brother) and Ruth Ann Bier over the last many years. Our Dad, and the our Mom passed away. But Auntie Betty remained a part of our lives. Some of us were fortunate enough to visit her at her home, and some were not. But, we all knew her via the wonderful emails she would write and that we all would share. We also cherished many of the articles she wrote and that our Mom would pass along for our enjoyment. What a wonderful gift Auntie Betty had and what a talent that her story-telling reached so many people and drew them closer together.*

*Bonnie, Bruce, and Billie; your Mom will be missed by your cousins. Take some comfort in knowing that she was a part of out lives too, and that will always be the memory that I carry of her.*

*Love, your cousin Jim Bier and wife Lea Gonzales-Bier.*
