“ *I have such fond memories as a child, growing up with cousins Freida and Bev and Aunt Weez and Uncle Duck. Bev's cheery smile and welcoming generosity made each visit to Drummond special in more recent years. My love to all of the family.*

“ I am going to miss your mom coming to lunch at The Northwood. Whenever I make seafood salad I will think of her and of her saying she loved anything seafood. I had a nice visit and a "toddy" with Bev around Christmas and am truly sorry I didn't take the time to visit after getting back this spring. I hope it helps knowing your mom isn't suffering. Cherish the memories.
