

Beverly Gail Marrison

July 17, 1936 - April 16, 2023

Beverly Gail (Schram) Marrison, age 86, of Hessel, Michigan, died at McLaren Hospice House of Cheboygan, in Cheboygan, Michigan, on April 16, 2023. She was born in Lansing, Michigan, on July 17, 1936, to Robert Leigh and Vivian Kate (Otto) Schram.

Beverly grew up in Lansing and in Bath, Michigan. She graduated from Haslett High School in 1954 and was crowned Miss Buick. She married her high school sweetheart, Gerald Marrison, on November 12, 1954, in Haslett. They moved to DeWitt, bought a house, and started their family where Beverly was a stay at home mother. The family later moved to Perry in 1958 where Beverly became the local babysitter and full-time mother to her own children. Over the years Beverly cared for a total of 67 children. Once the kids were older, she went to work retail at Murphy's in the Meridian Mall, and then First National Bank in East Lansing where she did bookkeeping and managed the trouble desk. Later she was a cook for a few years at The Mission Home in Perry and then she began working at an Assisted Living Facility as a private caregiver. In the mid 1970's, they bought a farm in Morrice, Michigan. After selling the farm, they purchased the Island View Resort in Cedarville, Michigan. They ran the resort, as well as a local trash business B & J Trash Service for a few years before they moved back to Perry during retirement. The couple bought a house and started a Camper Repair Business. Beverly did all the canvases and upholstery work on all the campers while Gerald did

all the maintenance. They were together for 64 years until Gerald died in 2019. After Gerald's death, Beverly moved to Hessel to be with her family.

Beverly enjoyed the outdoors and loved watching the birds at her 6 feeders outside her windows; watching the wildlife that would wander into her yard was something Beverly deeply appreciated each day. She also enjoyed camping in the Smoky Mountains and all over the state of Michigan. She loved reading, cooking, baking, solving puzzles, sewing, knitting, gardening, and traveling. She enjoyed canning chicken, beef, vegetables, tomato juice, tomato soup, and catsup. Her favorite project was always designing her children's and grandchildren's Halloween costumes. Beverly was a woman of many talents and aspirations and made many great friends over the years. She loved her family deeply and will be greatly missed.
