“ *My deepest sympathy to your family. I know, unfortunately, first hand that no words can ease your pain. But I just wanted to let you know my family is thinking about your family. Lean on each other for strength...this is a time when families need each other the most. With much love,

“ *Thank you to Tracy and Mick and to Aunt Sheryl for your kind words. BJ will be dearly missed. We have lost a big part of our family with him being gone. The practical jokester is gone and we don't have anyone telling us "you'll be alright" all the time. Everyone has been absolutely wonderful to our family. Thank you very much and we hope to see you on Saturday.*
