“ We were definitely 2 people Bruce touched! He would invest so much into u because he believed in u and that felt so good to me (Eric) as I battled alcohol and addiction and had little self esteem left when I met Bruce. He baptized me actually! Bless u our friend, our brother in Christ! Im sure ur too busy dancing and praising God but if u happen to, I celebrated 12 years of being sober from alcohol! I still have work to do but thank you for everything Bruce! I know you'd say something to the effect that God deserves the glory...and ur right again friend and brother! We love and miss u and will keep u in r hearts always!

“ Bruce was kind and so giving of himself. He gratefully carried out God works without question. He was with my family for Christmas years ago at my Aunt's home and I remember most his warmth towards and his love for people. He truly was a soldier of God and his memory with continue to inspire us to do good works in our own lives. To all of his family and loved ones, be the soldier to God that he was in this life. Bruce's memory will be carried on now in your works. Blessings for peace to all of you in this time of sorrow.

“ So incredibly sorry for the loss of our friend and brother in Christ, Bruce...
He was a great help with the downtown Trick-or-treating...(he carried the heavy stuff for me) ...also enjoyed running into him at Good Will as well as Sunday's at church...always a smile and kind soul. Just heartbroken❤️ "Rest in the arms of our Savior...until we meet again!"

Something happened to you, through no fault of your own, that put you in the frame of mind that was totally not you! Our wedding plans all gone with you. I know you are in the arms of Jesus, and now you are able to sing!! God Bless you my sweet loving man!!
