“ I spent time with Cameron on drug court. He was a big inspiration to me at the time, maintaining his home life and beginning a successful business. He was always giving encouragement to all of us,(usually in a smartassy kinda way 😊) But he was the kind of guy who would lend a hand and not have to tell the whole world about it. I remember at Christmas time, he went to the Christmas tree farm and gave them \$200 for family as you might not be able to afford a Christmas tree that year. He didn't go post it on Facebook he didn't even tell me when he got back in the car what are you just done. And that's the Cam I knew. Also I'd like to add there's a love for his sons and wife was so clear and so prevalent while in drug court, he spoke often of them and you could just see the love on his face. My heart goes out to all of his family. Sending prayers to you. God bless.
