“ What a beautiful picture of Carol. I was very close to her and she was the flower girl at our wedding. After college she came and stayed with us in Rochester/ Oh the trouble we got in. Playing Yatzie until Jim yelled down and begged us to stop that clatter of the dice hitting the table. Karen lived with us and then the 3 of us would get in more trouble. Roger and Kristen hold on to all her memories and love she gave you and I will do the same. Josie
