“ I was so sad to hear about Carol's illness and passing. She always had a smile for everyone in the hallway and in the radiology department and whenever I saw her out and about with Connie. My heart goes out to Tammy, Rick, Connie and the rest of Carol's family and friends. She will be missed by many ❤️

“ *Dear Carol's family, my heart hurts for all of you. Carol was a fun friend she gave lots of laughter when we worked together at the Soo Co-op. I can still hear her laughter and I can still feel the pain in the stomach from laughing so hard because of her. She will be greatly and sadly missed.* 🥺💔

“ *Carol was a good friend who I met at war Memorial radiology with Suzie . We had lots of laughs and good times together. We remained friends and we still had get togethers. I know she had cancer but it's still a shock to have her gone so soon. We will surely miss you! Hugs and prayers to Tammy, Rick, Connie, Suzie, & her precious grandchildren and family. Say hi to Sue for me* ❤️💔
