“ *Sending many hugs and prayers to the family and friends of this wonderful lady. I have always known her as Aunt Carole even though we are not blood related. The memories of her and my mom Vallee McCoy will keep my heart full. The two of them (along with a few more Aunties) and their shenanigans in life will also make me smile on a many of quiet nights. Aunt Carole was a kind, loving and generous beautiful woman, who kept her family (all of us, too) very close to her heart. You are missed and I wish I could have seen and talked to you before you left us. Just know Mark & Steve she was (and is) a very BIG part of my life. Love to all. Condolences Jamie (McCoy) Harvey.
