“ With deepest sympathy for the loss of a wonderful friend to all that knew her. We were truly thankful to have Carolyn as a friend to my mother, Avis Alcorn. I regret not being able to attend her service but I send my prayers and love to her family and friends.

“ I worked with Carolyn for just a few years before she retired, but we used to love to sit and talk when I would go over to the Fletcher Center. I always made sure to stop by and say "hi!". Once she retired, I would see her at her grandson's basketball games and we would pick up like it was old times! I am really going to miss her.

“ I knew Carol only a short time when we meet at the casino for breakfast with my Mom Avis who loved to spend time with Carol, she considered her a very best friend and misses her dearly,. Carol had a great smile and laughed freely with her friends ,she never complained about her sickness and only if we asked did she say anything about how she was feeling. I only saw a wonderful lady who showed a lot of class with a difficult illness she knew that would get worse. But if you visited her she was upbeat and had a smile that would say I am OK so don't worry about me. We will miss her smile and her laugh and my Mom misses a very good friend.
Sincerely Lawrence Alcorn
