Carrol was a wonderful sister and gave her "Baby" sister lots of helpful advice weather I needed it or not! We had the best Vacations with her and my other sister Anne and I totally enjoyed the winter she spent 3 months in California with me and we had the time of our life going to "Stagecoach" first Country Music Festival where we had seats about 50 feet in front of the stage for 3 nights of concerts which included George Strait, Alan Jackson, Brooks and Dunn and at least 20 more of the best Country musicians!! She always had a smile and enjoyed life. My life will never be the same. In my heart forever. Praying for the whole family. Love you all. Mary Jo

Carol and Ritchie Weston were our neighbors when we owned Iroquois Grocery in Bay Mills. Ritchie and George enjoyed many conversations over coffee at the store. Ritchie always had good advice to give and always stuck up for the rights of others while on the township board. Carol always had a smile for everyone. I was so thrilled when she donated one of Ritchie's wood fish boxes to our museum, the Wheels of History Train Museum in Brimley. It is on display in the RR car with his & her name on it, near some of the other fishing displays from the Wilcox family. We join others in giving condolences to Carol Weston's large family, some of whom we got to watch grow up.
