“ I am so sorry for your loss, my heart goes out to you at this difficult time. I have many memories of Chip from working with him at the paper, to being around when they took down their dock to watching him bowl and witnessing him marry the love of his life. His face lit up when he talked about Donna and the little surprises he had for her - they truly were deeply in love and Donna you have many memories that will keep Chip alive in your heart. His family and friends are in my thoughts and prayers!!
