“ Charles was a great man, I have the privilege of calling him grandpa and my role model that played a huge part of my life. This man was selfless in everything he did in life. He served his country not only in the military but as part of the forest service. He was always there for his family no matter what the case was. I spent a lot of my childhood at his house, time I wish I could get back. You will be sorely missed grandpa. He definitely will not be forgotten. I have his name as my middle name and I will bear that name with honor. I love you and I hope you rest in peace.
