“ I had the pleasure of working with Cheryl for many years and kept in touch after. She was a strong woman and would do anything for her family. I have so many great memories of Cheryl. My heart goes out to Heidi, Bobbie and the grandchildren. Her presence will be missed.

“ Sorry for the family, I work with Bobbi and the times we chatted about her mother it was clear to me her love for her mom. I have experienced the feeling myself and I know how difficult a time this is for all. While Cheryl Jo may have escaped the bounds of this life she will live on through her children and grandchildren. My deepest sympathies.
