“ Dear Austin,
I just heard about your mom. I wanted you to know that we are praying for God to comfort you at this time. I feel like God has something very important for you to do in your life to allow you to go through such trials at such a young age. I will always remember watching as you sang in the choir at Liberty and how much that blessed my heart. Your friends at Calico Country Store love you and send a really big hug.
Love,

“ To Austin and Casey, Ms. Dottie could never begin to know what you are feeling. I lost my momma only 10 years ago, I had the biggest part of my life. I miss her still, but I cannot imagine how devastating it would be to loose your mom at a very young age. I know God is watching over you boys. There are so many people in Georgia and all around who know you, praying for you daily. I love you both, Ms. Dottie(Lunchroom Lady)

“ To Cheryl's family,

I had the chance to talk to Cheryl many times while she was living in Georgia. The Southern accent she picked up always made me laugh and I know that I always teased her about it. After Cheryl moved back to Munising I would see her at the school or out with the boys, it was easy to see how much she loves them. You will be in my prayers.
