

Walter H. North

October 31, 2014

Former Michigan Senator Walter North, 81, of St. Ignace passed away peacefully on October 31, 2014 at the Evergreen Living Center, concluding a remarkable life that began on January 31, 1933 when he was born to Robert and Mary (nee Wolfe) North in Kirksville, Missouri. Walt was raised in Battle Creek, Michigan by his mother and grandmother, and he was a standout student and All State basketball player at Battle Creek Central High School where he graduated. He received a basketball scholarship to Western Michigan University, but a hand injury prevented him from playing. Walt interrupted his studies to enlist in the Air Force in 1952, served in the Korean War at Kunsan AFB from 1953-1954 as a staff sergeant, and was a proud veteran. He married his high school sweetheart, Sally Ann Greensmith, in 1953. After his service to his country, Walt resumed his education and was awarded a business degree at WMU.

Walt loved politics, and he made an unsuccessful run for Michigan State House in 1964. He jokingly blamed Barry Goldwater, at the head of the ballot, for his defeat. With a young family to provide for, Walt took a job with the Michigan Treasury Department, and this eventually led to an opportunity to move the family 'up north' in 1966 to become Comptroller at the Mackinac Bridge Authority. Walt eventually became Executive Secretary of the Authority in 1983, and he retired from that position in 1992. He possessed an immense knowledge of the "Mighty Mac", which he enjoyed sharing with groups and

tourists in speaking events, and a daily "radio minute" broadcast.

The passion for politics never left Walt, and he was elected as State Senator for Michigan's sprawling 37th District in 1994, where he served two terms. Walt was well-known and respected in Lansing, and he used his eight years in that office to promote the economic and humanitarian needs of the residents of northern Michigan and the Upper Peninsula. Perhaps as a result of his humble upbringing, Walt was a fierce advocate for the less fortunate constituents in his district. He was proud of his involvement in numerous accomplishments which include the new hospital and nursing home facilities in St. Ignace; new medical clinics on both Mackinac and Beaver Islands; the expansion of the St. Ignace municipal marina; a new State Police post in St. Ignace; the Newberry Correctional Facility; and various Sault Tribe EDC projects including Little Bear East arena. During his tenure at the Mackinac Bridge Authority, he was instrumental in leading the growth of the Labor Day Bridge Walk event, as well as developing a comprehensive maintenance program for the bridge. After leaving the Senate, Walt served on multiple community foundation boards, the Lake Superior State University Foundation Board , and the Mackinac Straits Hospital Board.

Walt leaves behind his wife of 61 years, Sally; four sons and their families, Thomas, David, James (Kimberly) and Michael (Mary Joe) North, all residing in northern Michigan. Seven grandchildren will dearly miss their Grandpa Walt. He was preceded in death by his parents. Walt had a life-long fondness for animals that continued until his death, including dogs, cats and horses. As a young boy he would bring home turtles, mice, frogs and whatever else he could catch, to the dismay of his mother. Walt & Sally were founding members of the Friends of the Animals group that continues to care for pets in the eastern U.P. Walt's other hobbies included boating, playing cribbage, shooting pool, and spending time with his family.

All services will be held at the St. Ignace United Methodist Church, with visitation on Tuesday, November 4, from 4:00 p.m. until 7:00 p.m., and the funeral service on Wednesday, November 5 at 11:00 a.m. Interment will be at Lakeside Cemetery in St. Ignace in a family plot, appropriately overlooking the Mackinac Bridge.

The family appreciates the remarkable care that was provided to Walt at Mackinac Straits Hospital and the Evergreen Living Center, and asks that any gifts in his memory should be directed to the Mackinac Straits Health Foundation in St. Ignace. Envelopes are available from Dodson Funeral Home, 240 McCann Street, St. Ignace, Mi. 49781 who assisted the family with arrangements.

“ *Walt was a great friend to our family. In fact, he wrote me a personal recommendation for my first teaching job. I always enjoyed his humor and appreciated his words of encouragement. He was an exemplary model of public service that will long be remembered in the eastern U.P. God's blessings to you Sally and family.*

“ Sally and the boys, it is often that I think of Walt and all of you. He was a great neighbor, friend and mentor to my family and me. His memory of names and faces was amazing. It was great to see his traits pass on to the boys. As our memories of him console us, I hope that they do you as well.

“ if you're Lucky, you will meet a man and woman like Sen. North and Sally , maybe once or twice in your life. If you're smart you'll realize it. I wish I had a dollar for every great story I can tell. Most will remain in our thoughts privately , but you will never hear a bad word said about our dear friends at the store. Rest in peace dear friend. !

“ *Walt was a true blue friend. He was the welcome wagon extraordinaire-when we moved to St. Ignace in April of 1979. He was the reason we attended the Methodist Church and joined many other local organizations. His honesty and personality made him the great comptroller and senator. Sally, and family you are in our thoughts and prayers. He will be sorely missed.*

“ *There are not many people in this world like Walt North. I had the pleasure and honor to have had Walt as a mentor for nearly eight years as his Chief of Staff in the state Senate. Working with him at his side on a daily basis was an invaluable life experience. Walt was the consummate public official, always looking out for the people he served. I'm proud to share that many of the advice and counsel Walt gave me as a young and eager staffer I've been fortunate to pass along in several of the positions I've held as a manager; and more importantly, they have made me a better person. Walt was truly loved. Walt's love, wisdom, jokes, and stories will live on...what a true testament to a great man. May God bless Walt, Sally and the entire family.*

“ So saddened to learn of Walt's passing. I worked with Walt when he was a State Senator engaged in transportation issues and I chaired the transportation subcommittee of the House Appropriations Committee. We reached across party lines to work together in days when that was still a real possibility in Lansing. I respected Walt tremendously and I liked him for the true statesman that he was. I knew his health was failing in recent years but it still comes as a bit of a shock to know that he is gone. He was a pillar; just one of those that you sort of always thought would be here. Rest in peace my friend.

“ I was saddened to learn of Walt's passing but am comforted in the belief that he now resides in a much better place. My initial contacts with Walt and Sally were related to our mutual association with Lake Superior State University. Since then, I have experienced the full depth of their generosity in time and treasure for numerous individual causes as well as the betterment of the region. Walt, Sally and family have been significant supporters of LSSU for decades. As current LSSU Foundation Chair, I am humbled to follow in his footsteps and we have lost a true friend of our beloved university. My heartfelt condolences go to Sally, family and all who knew this great man.

“ To the North Family,
Being one of the newest members to the Mackinac Bridge Authority,
I never had the pleasure of meeting Walt. In my short time I have
been on the Authority I have heard his name mentioned many
times. He is well respected for all his contributions and he is fondly
remembered for his wonderful personality.

*I truly send my sincere condolences to your family. He was a great
man, who gave of himself and made Michigan a better place.*

*Sincerely,

“ I had the pleasure of becoming an acquaintance and then friend of
Walt when I was deputy Secretary of State. We had a museum near
the Mac. Bridge and he worked "beyond the ball of duty" to help our
efforts because it meant more tourism \$\$\$ w/o adding cheap junk to
the area. As a senator, he was honest, insightful and very
understanding of the difficulties faced by the unfortunate in the UP
and those below the bridge. Great man.

“ It was great to work with Walt on all things for northern Michigan, the eastern Upper Peninsula and Lake Superior State University. I had the pleasure of meeting Walt and Sally North when I was a youth counselor for Mackinac County in 1978. Walt was always engaged and a terrific advocate for the area. He was a good GOP member and I a good DEM. That meant that we were involved in making Michigan a better place for all of us. It was never about party affiliation. Walt was a dedicated leader for northern Michigan/EUP and always looked out for the folks from the area. He made a difference and leaves a lasting legacy of good will and development for the people and the area. Senator Walter North is someone who I can call a "statesman." My sympathies are extended to Sally, their children, and grand children.

“ Dear Sally, we are so sorry to hear of Walters passing. I remember him always busy having somewhere to go, but he always took time out of his day to be friendly and helpful to us when we were in town. Our thoughts and prayers are with you and your family. “ Walt was one of the classiest public servants in Michigan during both his service for the Mackinac Bridge Authority and an elected member of the Michigan State Senate, Walt epitomized the best spirits of those who serve in elected office. Never met anyone who didn't like and respect Walt. Sally and his children and grandchildren should take comfort that his record is one of honor.
