“ *Cindy is now resting in the House of the Lord with Marvel. How great a burden she carried all these years. Heartbreaking sorrow is now gone.*

May the Lord deliver the evil doer unto justice and their victims unto rest, if not here on earth, then at the Portals of Everlasting Life.

Godspeed, my friend, Cindy Anderson.

“ *The news of Cindys passing comes with a lot of emotions. Of course sad that her life here on earth is over. Yet very happy that she is now with the Lord and her daughter, Marvel that she loved so very much. I grew up with Marvel, and Cindy as my daycare after school. So many memories. May you rest in peace Cindy and please give my friend a big hug from me. All my love, Dev*
