“ *Dolores & family,
Just read about your son and wanted to send our deepest sympathy to you and your family. May your happy memories sustain you now and in difficult days to come. I remember how you used to smile and laugh as you talked about your children when we worked together at Marquette Alger - seems like yesterday! Roy and I are wintering in the south and will keep you in our thoughts and prayers. Take care and God bless, Betty & Roy Coduti*
