“ Vicki, Johnny, John and Jackie, so sorry for your loss. I remember years ago all the fun we had on the farm. Some of those days feel like yesterday. I lost touch with you all years ago, but the memories were great.

No parent should have to go through this pain.

I wanted to express my deepest sympathy to you all.

“ There are times in all our lives when grief of a loved one sweeps over our soul and we find ourselves looking for answers and comfort. Isn't it wonderful to know that a loving God cares enough about what we're going though to reach down and stroke our brow, or hug us through the arms of other people, or kiss us with the sweetness of kind words. As for my friend Danny, may God wrap you in His comfort blanket. Let Him hold you now.

“ To Dan's grieving family -

I am the first cousin of Dan's grandfather Jim Fulton. Jim and I became close friends in the last decade of his life even though he was 30 years my senior. I can tell you that Jim Fulton thought the world of his grandchildren, including Dan. Here's hoping that Jim & Dan are together again.

“ *John, Jackie, Vickie, Johnny Wayne and families:*

My prayers and thoughts are with you at this time sorrowing time. It is really fresh for me right now too. Just losing my Dad last month.

I keep remembering the time we went with Uncle Jim and Aunt Marie in the Blue Goose with Danny and Johnny Wayne and we spent the night somewhere. Danny took us out for a walk that night and we had so much fun.

Even after I grew up and we saw each other we always had fun together. I shall truly miss his smile and his hug he always had for me.

“ Danny my boy!!! You are going to be missed sooo much that words cannot even begin to express. You were always the life of the party or should I say the clown. So many memories that it is impossible to narrow it down to one to write about. Stories will be told forever around the campfire. It just won't be the same without you!!! Let us know if you meet that woman that swallowed the fly!!!

“ Dear Uncle Dan, I wish that you did not die. I hope you have a nice time in heaven. Jimmy's mom found your funny underwear with the fake butt on them. I will miss you very very much. We wished you were still here, but you will always be in heaven to guide us and look for us. I think you were the funniest guy I've ever met before. If you can come around in your spirit with Santa to come to our house. I hope you have a very nice Christmas in heaven with god.

“ To the Family and Special Friends of Dan I want to express my sincere sympathy. I have known Dan for many years and always appreciated his zest for life and enthusiam. Dan was a person who respected others for their beliefs and commanded respect for his own right to live as he saw fit. As a U. S. Veteran I always appreciated that quality in Dan. God speed to you my friend and deepest sympathy to your family.

“ My deepest sympathies to Dan's Family. He was my best friend. I love him so deeply. I was there for him at his worst time and his best times. I had some great times with him. He was the funniest person I've ever known. I will miss him dearly. It's going to be very hard for me with out him in my life. We were suspose to go to lime island this summer and rent one of the old house. I will still do that for him. He added so much spice to life for many people and friends.

I will never forget the first time I met Dan's life partner. I got really drunk and dan had to drive me home in my car. I threw up the whole way home. He carried me up to my apartment and put me in bed. My mother was so mad she yelled at us both. My Mother is Joanne Jones-Parr. She told him and I if I ever catch you two like that again she would kill us both. Then he picked me up the next day with Jim and throw up all down the side of my car. I thought you might enjoy that funny story. I loved Dan and will miss him.
