“ *Dave's Family: We are so glad we visited your dad this summer and shared some Polish Beer. Many great times together, KC fish fry, X-Mass cookies with him and your Mom at our house, doing the KC newsletter and many other things. Visits in Gaylord when we went north and visits in the Soo.*

*Dave was a very special person and a very good friend and will be missed greatly. We live in FL so we will not be able to take part in the spring memorial as we don't come to MI until the end of June. Some one from the 4th Deg. will contact the family about the chalice.
