

## David A. Karst

September 23, 1936 - September 21, 2017

David Allen Karst was born on September 23, 1936 in Munising, Michigan and passed away September 21, 2017 in Leesburg, Florida.

Raised on a farm, he learned the value of hard work, community, family, and appreciation for the beauty of Northern Michigan. David trained and worked as a Journeyman Mechanical Engineer, employed more than forty (40) years with General Motors and General Dynamics where he was a Lead Engineer on the M1A1 Abrams Tank. After retirement from full-time employment, he worked part-time for Marquette General Hospital and retired in 2008.

He is survived by his wife of 29 years, Nancy (Coates) Karst, who he married on April 15, 1988. They currently divide their time between Michigan and Florida, enjoying the beauty of both areas. Dave enjoyed the challenge of designing and repairing equipment, had a love of the outdoors especially boating, camping and fishing, and was an avid reader. David has three (3) children from a previous marriage, David Karst Jr., Theresa Brown, and Angela Karst, along with four (4) grandchildren, and six (6) great-grandchildren.

Visitation will begin at 11:00 AM until 12:00 noon on Saturday, August 4, 2018, at C.S. Mulder Funeral Home. A memorial service will follow with Pastor Thomas Barber officiating.
