“ *I am sorry for your loss. It is never easy when you lose someone but I can only share with you what has help to ease the pain. It is knowing that God will soon end all tears and pain. He also promises that we will see our loved ones again by means of a resurrection here on earth (Revelation 21:4, John 5:28,29). What a wonderful time it will be to welcome back David and those that we miss dearly! Please accept my condolences during this difficult time.*
