“*Dave was the first person who helped us when we moved in across the street. Brought over a log splitter to help. Generous man. Liked his molasses cookies!*”

“*I knew David since we were age 9. We shared so many fun times as youngsters growing up. Swimming in the river, jumping out of the hay mow, being chased by the rooster, and walks to the store for pop and candy bars! As we got older we enjoyed many hours fishing the Saint Mary's. And always a bowl of ice cream at the end of the day! Last time we were together we ate at Raber Bay and I heard all about that big fish that hangs there! All very special memories I will always cherish! I am confident you are at rest in the presence of your Lord! My prayers are with his sisters during this difficult time. And thanks girls for all the special times we shared as kids!*”

“ David is my best friend. We did so many things together over the years, we had a great relationship and really enjoyed each other's company.

We fished, hunted, went to dinner, had many lifelong conversations and so much fun, we laughed a lot also, but what was our favorite thing and David's favorite, having him ride in the Groomer with me, I would ask how the trail was behind us and his answer was always "Smooth as a babies a**"

I'm sure going to miss you David, Love you!

Until we meet again in heaven ❤️
