“ Dawn and her family have made me feel like part of their family for going on 40 years. For this, I am very blessed and truly grateful. When my youngest son was born and fighting for his life, Dawn was providing strong prayers, hope, encouragement and of course a beautiful dream catcher. Dawn was very pleased to know that my Granddaughters middle name was Dawn, as well. Again, more strong prayers and her beautiful artwork. All of the memories and artwork will be cherished. She will be surely missed. Dawn had a kind spirit and always helpful to those in need. My thoughts and prayers go out to all of her family and friends. Love, Larry

“ Dawn and her family moved into our neighborhood, when she was just a little girl. She and all of her siblings, all became friends with my siblings and I, very quickly. I remember going over to their house, and playing dolls etc. For hours. Then when I was old enough, Dawn's mom hired me to babysit her and her siblings. I watched this little girl grow up, into a beautiful lady. Inside and out. I am hurt to my core, for her family, and loved ones. Praying for peace. She will be so very missed.

“ My thoughts and prayers to Dawn's Family. I recently drove to the Sault for a get together on Sugar Island and I thought of Dawn... Sadly, I didn't know she had passed until now. She was a wonderful person - always had a smile on her face followed by a friendly hello! I will continue to think of her - It's said that a person that departs this earth never truly leaves, for they are still alive in our hearts, through us, they live on! She is resting in the arms of the Lord- God Bless!
