“ *We wish to extend our prayers to Bud's family at this time of his passing. We only had a few visits with Bud and his wife over the years but he was always in our heart and prayers. God Bless.*

“ *I am sorry about Buddy's passing. He will be missed. I remember him and Marie baby sitting my brothers and I while mom worked. Marie and Bud would talk pig latin whenever they did not want us to know what they were saying. I would get so upset because we knew they were going to do something and did not want Tom and I to know what. I never did master pig latin.He was a fun cousin!*
