“ *I'm sorry I didn't hear about Denny's passing until tonight or I would have been there. The family has my deepest sympathy. Him & Jerry had a long history of hunting, fishing, cribbage games and just hanging around together. They joined the Army together & were the on the same ship crossing the ocean. I heard many funny stories about that. May he rest in peace.*

“ My condolences to you Maureen and your family. Denny was a great friend and hunting buddy while I lived in the Soo. He was like a lucky rabbits foot for me. When we were on a hunting trip I was always successful. He has been in my thoughts each deer season and always will be. I have missed him. Larry Larson
