“ *Devin was my best friend. We moved to warroad the same year and lived on the same block. We were inseparable. He was always a very loving and supportive friend and always had my back. He helped me through so much and made warroad feel like a home to me and continued to be there for me even when I moved to duluth. He would always brighten up any room he walked into. He was the greatest friend anyone could ever have. He always made me feel welcomed and loved and always made me laugh. He was such a pure soul and the kindest person I've ever met. He was so accepting of everyone and touched so many lives. He will be missed by so many. My prayers and thoughts are with his family.*

“ *Devin I may have been your step mom but I loved you like you were mine. I didn't know you as a baby but I am thankful for the time I had with you. Out of all of my kids, you and I looked the most alike. We had fun when people would say you looked like me. We had our good times and bad times, but what family doesn't. I'm thankful we had many more good times. I'm proud of the man you became. I'm just sorry you didn't have time to complete your dreams. I hope you have found peace in that busy mind of yours, and I know now you can do great things from where you are. The sky's the limit. Rest easy buddy. I love you and I will miss you, until we are together again.*
