“ I am so sorry to hear about the passing of your brother. Don was very lucky to be born into such a close-knit, supportive, and loving family. I hope the following will give you some comfort.....

- Togetherness -

Death is nothing at all.

I have only slipped away into the next room.

Whatever we were to each other, we still are.

Call me by my old familiar name.

Speak to me in the same way you always have.

Laugh as we always laughed at the little jokes we enjoyed together.

Play, smile, think of me, pray for me.

Life means all that it ever meant.

It is the same as it always was.

There is absolute unbroken continuity.

Why should I be out of your mind because I am out of your sight?

I am but waiting for you for an interval somewhere very near just around the corner. All is well;

nothing is past; nothing has been lost. One brief moment and we will be as it was before, only better; infinitely happier.

We will be one together forever.

“ Our deepest sense of loss to your family. Although we didn't know Biz, we heard a great deal about him from Caleb, who is a friend of Taylor's. Caleb used to come over to the house and he was always a pleasant visitor. We know he will miss his Dad a great deal. If we can be of any help to you and your family thru these difficult times, please don't hesitate to call on us.

“ *Deb and family,*

Please know that we are thinking of you and holding you in our prayers.

A card or an email can not adequately cross the miles nor can words express the emotions and care sufficiently.
