“ Donnie, I am so saddened to know you have left this world but I know you are comforted in another world with your mother and loved ones now. You were always a kind friend when we were so little at Lincoln Elementary and in Cub Scouts. You and your mother are such wonderful, kind people, and I count myself blessed to have had your friendship in this life. I pray God comforts your family here until all can be together again.

“ Donnie you will be missed. I remember when I moved to the Soo in 7th grade. I didn't know anyone but he was the first one to say hello and I made friends with. Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May they rest in peace.
