“ *Dear Kathy, I was going thru the Obituaries and came across David's name. I am so sorry that you lost your David. I know that he meant the world to you. I have been ill for the past three years and have missed so much that concerns those that I cared about so deeply. I realize that this is not new information but I just wanted you to know how sorry that I am for your loss. I hope this finds you in good health. Please know that I am thinking of you.*
