“ I offer my sincerest condolences to the family. So many years ago, in a time that was simpler and when my friends were alive and healthy, we stumbled upon a garage party with Daniel Nichols and "Wild Bill" and many others. I'd never met such a character in my life, but WOW did he make a lasting impression! I believe we'd encountered him at other parties and he had everyone in absolute stitches! That was a lifetime ago but I'll never forget it. I hope his family finds peace.

“ Please accept my sincerest condolence to family members and friends. Donald was one of a kind. He had a heart of gold and was the most giving person you would ever want to meet. We had many wonderful experiences together over the years. For that I will always be thankful to have known "Wild Bill". Prayers for strength, comfort and peace, in Jesus name.
