“ I was so sorry to hear about Donna. Her, Harold and my family became friends when we met them one year when they were winter visitors in Arizona. We have really missed seeing them.

“ My memories of Carol's mom are happy ones. She wasn't even that hard on us after catching us sneaking in late at night. :) I'll never figure out how she made that dog sneeze. Carol, my prayers are with you and your family. May the memory of her smile bring you comfort in the hard months ahead.
