“ I'm glad we got to see your Mom a couple of weeks ago. We are really going to miss her. Every birthday and Christmas we got a card from her. It meant so much. She's always been kind of like a Mom to me and she was "Gram" to Jamie and Dan. Steve said she's the reason he still goes to church, she used to take him and Tom to church with her.

“ My prayers and thoughts are with all of you at this time. I wish I could be there for her services. I will truly miss visiting with MRS C. I will also miss receiving a birthday card from her every year. For the past 17 years of living in FL I received a card on my birthday signed Mrs C.

Through this great lady that worked in the kitchen of Finlayson School I was able to become close friends with her children and have remained friends with them over the past 37 yrs, especially Jerry who is my best friend for life. She was a great cook and a great lady. I am glad I got to see her in December when I was home. She will be greatly missed by all.

“ I still consider the Soo home, and was saddened to hear about Mrs. Clow's "homegoing." Not saddened for her, of course, but saddened because she will be missed by so many. For the Hubbert family, please accept our condolences. Mom and Dad (Darline and Harold) and I will have a good memory chat soon as we remember Dorothy and her family.

With Warmest Regards,

“ Please accept my sincere sympathy at the loss of your mother. As long as I have been alive, and as long as I live, the house on the corner of Marquette and 10th Avenue will be Mrs. Clow's house.

*She will be remembered fondly by all of us who had the honor to know her!*

“ It will be difficult informing my mother (Myrtle Root) about your mother's passing. I know they shared a great friendship when Mom lived in the Sault.

*I remember Dorothy's smile, jolly laughter, and her home-made bread! When I left home and had 3 children of my own, I often wondered how Dorothy did it -- raising her children who were always bathed & so well-mannered with the cleanest, freshly-ironed clothes!*

*After Mom moved downstate, we drove home to the Sault one weekend and visited the FM Church. It was Dorothy who reached out to me with the biggest hug, memories from the past, & warm conversation to welcome me back home. I never forgot that.*

*Today, as I sit at my desk, my thoughts are with you.*
