“ Tom, Rich, Julie & John ~ I have great memories of your mom and your family. I know words don't mean a whole lot right now, but you all have been in my thoughts and prayers since I heard of June's passing. The days ahead won't be easy, but hold tight to the memories you have of times together, and keep your love for her safely tucked into your hearts. Be strong and know that others share your grief at this difficult time. With Love ~ Jamie
