“ *Doris and Dorothy were neighbors, 2 doors away, here at Lyon Lake south of Marshall, M. I lovingly remember conversations with both sitting in the swing, over the fence and occasionally in either of our cottages. We loved dogs, gardens, knitting and sewing and especially our lakes including Huron. Their Mother Eva Wabaganese Powers was also a special friend who loved to chat sitting by the lake and talk about their special trees brought down from up north and so many other interesting things. Grace and Peace be to those ladies. Janet Christner*
