I'm also so sorry for not being at the service today. I didn't know about this until this AM and had other obligations until now and it is too late to get there. Please feel my hugs and love for you all! I have wonderful and very fond memories of both Dorrie and Wayne. Penny and I give you our love.*

“ *As small children of Lewis and Marie Harrison, we lived across the street from Grandama and Grandpa Batho in town, I remember most of the wonderful women, and Justine was a Good Friend of Grandpa Batho and went back and forth often. “ Grandma Storey was one of the people you meet throughout your life who leave a mark. She was capable of making you feel special and loved every time you saw her, without you even realizing she was doing it. You just left her knowing you felt good - about her, about yourself, and about life in general. She was a beautiful amazing woman who put God and family first and we were privileged and blessed to have shared time with her.

“ *Storey's were my neighbors and I went there to play with Amy. Dorrie always had cookies. I loved the oatmeal chocolate chip so much I took the recipe home to my Mom who made the Tool House chocolate chip cookies with no Oatmeal. From that point on we made the oatmeal ones. My kids grew up on them and now make them for their kids. I also remember my first s'mores made in their fireplace for Amy's birthday. Dorrie has a special place in my childhood memories. May the family find peace and joy in these memories.*
