“ Being friends with Dee and his family for many years I had the pleasure of having plenty of sports talks with him. His constant smile followed by a good story or a joke I will never forget. Heaven truly gained a Blue Devil this past week. My thoughts and prayers to his family and friends. RIP D

“ I just wanted to say from myself and the entire Sault High Football Program how saddened we were to learn of the passing of Dee. He was a great friend to the program for many years. The field and facilities never looked better when Dee worked at the Van Citters complex. He took care of us like we were his own, all for the small price of a football tshirt and 10 or 15 minutes to talk about the Lions. He was a great guy and will be missed greatly by everyone in our program.

“ My sister and I just talked about D. on Saturday, probably haven't spoken about him in years. Quite ironic. I mention how he nicknamed me squirrel in Jr. High. Not sure why but he was one of the nicest people I knew growing up. Prays go out to his family. I'm sure he was still a very good man.

“ The obituary was well written. Duane was proud of his kids and loved them dearly. He talked of his Mom a lot too. Signs of a good son and father. May he rest in peace. He was a great coworker and friend. I am glad you guys had your trip to the Lions game, happy memories are what you all need to focus on, I am sure he would want that. Much love to all of you.
