“ *I dearly loved Aunt Edna beginning as a small child. I thought that it was exciting when Aunt Edna would visit us on the farm in Bad Axe. I always said that I wanted to be just like her when I grew up. I enjoyed visiting her in her home in Rudyard over the years. Tony and I would pick her up and take her to the Polka Festivals in the U.P. with us. She enjoyed the music and watching the dancers. Even in her 90's, she would do a slow waltz with Tony. Then we went to dinner before dropping her off in Rudyard. Because she was such a fantastic person, I know her boys will be able to carry on and enjoy all the memories of this truly lovely woman. I know that I have many cherished memories.*

“ *I have only the fondest of memories of Edna. She was a wonderful lady and I am so glad I will join her in the House of the Lord someday and we will rejoice together. What big shoes she left behind, for surely no one could ever fill them.*
