“ I also was reminiscing about the time you came up and asked to spend the night at my house. Brian brought you up. That lasted for a week. You told me tales of Jimmy H. And a littany of ideas. I was going to write a book about it and told you we'd get rich off it. Can't say too much about it, but oh my God. It was a story to be told! RIP

“ I was remembering the time on the island ...we were all gathered there on the 4th as usual every year. We were having a few drinks and I showed you how to drink sexy. It was just so funny. I had half the island laughing as you were following directions. So MANY fun relatives back then. Laughter was the main staple for all of us. God bless you all .
