“ Donna-I am so sorry for your loss. I knew your Mom when I was first married in 1970-she came to work at the MESC office on the hill and I was a summer worker there. She was always so nice to me-passed along cooking tips-like put a frozen roast in the oven at 500 degrees on your lunch hour and turn down before coming back to work! This was before microwaves ovens for defrosting. Also-put vanilla nad sugar in your french toast. I am sure I am one of many who has good memories of her.
