“ *My deepest sympathies. She sure loved her game shows. She watched them all the time at C.R. when I would work.*

“ *Aunt Eleanor had a long life and for that we are very thankful. It has been more than a long time since we have had any conversation, but I remember the good times our two families had when we did get together. I especially remember our two families living together waiting for WWII to end so that Uncle Phil could come home. Life is made for memories, I guess. Our condolences to both of my cousins, Sandy and Linda.*
